

Windows + **Firefox** + nightly

Decreasing the window size :

Windows + **Firefox** + nightly

Decreasing further the window size

**The personal icon is not seen and unclickable**

No scrollbar yet

Windows + **Firefox** + nightly

Decreasing further the window size

**Scrollbar appears**

**Personal icon does not appear**  
(but can be clicked)

**Scrollbar too large**

Decreasing further the window size does not help

Zooming in or out does not help either

Windows + **Chrome** + nightly

Decreasing the window size

Windows + **Chrome** + nightly

Decreasing further the windows size

**Scrollbar too large**

Personal icon is seen and can be clicked

SAME SYMPTOMS on a local instance of LTS 2021-HF03 + WebUI 3.0.3 on Windows with both **Firefox** and **Chrome**
