

Report Sample

JSF UI to Web UI Migration Report

Dry Run Report

This report was generated from a dry run on:

Branch xxxx

Date 2018-01-17 3:32PM

No change was made to your project configuration.

Please run the migration again without the dry run option to execute it.

Summary

| | Success | Recommendations and notes | Skipped |
|--------------|---------|---------------------------|---------|
| Layouts | 7 | 3 | 2 |
| User Actions | 18 | 5 | 2 |
| ... | ... | ... | ... |

Features Migration

Layouts

BCContract - Creation Layout

Migrated to component name: bccontract-creation

Content

| Studio label | State | Origin widget | Destination element | Recommendations and notes |
|--------------|---------|---------------|---------------------|--|
| Title | Success | Input | nuxeo-input | |
| Location | Skipped | Path | | Location widget does not currently have a corresponding mapping in web ui. (known limitation #32) Workaround: using a custom element. |
| Category | Success | | | Web UI does not make use of property xxx because it uses ... instead. Recommendation: use ... (known change #57) |

BCContract - Edit Layout

...

BCContract - View Layout

Skipped: destination feature already existed in Studio Designer before migration.

BCContract - Header Layout

Skipped: empty.

[...]

BCQuote - Header Layout

Skipped: known change #3 - Web UI uses ... instead of a header layout.

User Actions

| Studio ID | State | Origin category | Destination slot | Recommendations and notes |
|-------------------|---------|------------------|------------------|---|
| totoUA | Success | Contextual tools | Document Actions | |
| anotherUA | Success | Clipboard | Document Actions | User action slot was mapped to a default one as web ui uses a different interface. You may wish to review / change it. (known change #15) |
| testUA | Skipped | Contextual tools | | Destination feature already existed in Studio Designer before migration. |
| dontMigrateThisUA | Skipped | Contextual tools | | Not selected for migration. |

Content Views

totoCV

Query

| Studio ID | State | Destination Page Provider | Recommendations and notes |
|-----------|---------|--|---|
| totoCV | Success | totoCV_testMigration-webui-migration-2018-01-17-3-32-xxx | Content views are migrated to page providers for web ui support (known change #21). |
